Some Thoughts On Shopping Locally

The past number of months we have all heard a great deal on the subject of "Shopping Locally" and all the good reasons why Shopping Locally is good for the economy. This includes supporting those who support our local events, missions, charities, schools, churches and temples, athletic programs, theatres and more all year round.

Port Washington has a plethora of locally owned shops all looking for your support during the holiday season. The product selection is terrific including fashionable dresses, jewelry, accessories, books, toys, specialty foods, new and used boats and accessories, eyeglasses, sporting goods, household gifts, furniture and more. For a more complete list check out the Business Improvement District ad in the November 23, *Port Washington News* (also available on line at www.pwcalendar.com).

Try thinking out of the box.

How about gifting one or more of the fabulous services available right here in Port Washington!

- Everyone – gets their hair cut. How about gift certificates from your local hair salon or barber? Gym membership, massage, acupuncture, yoga.... All appropriate for all ages who are thinking about some health improvement.
- Who wouldn't appreciate getting their car detailed? Small, locally owned detail shops and car washes would love to sell you a gift certificate or a book of gift certificates.
- Are you one of those extravagant givers? Perhaps that grateful gift receiver would like his driveway sealed, or lawn mowed for the summer, or driveway plowed all winter, or games at the local golf course.
- There are a bazillion owner-run restaurants – all offering gift certificates. And, if your intended isn't the fancy eatery sort, what about a half dozen breakfasts at the local breakfast joint?
- How many people couldn't use an oil change for their car, truck or motorcycle, done at a shop run by the American working guy?
- Thinking about a heartfelt gift for mom? Mom would LOVE the services of a local cleaning lady for a day.
- My computer could use a tune-up, and I KNOW I can find some guy with a local repair business.

Finally there are almost 100 independent, locally operated restaurants and eateries that would love to have your holiday dinner, lunch or breakfast party. They are also listed in the BID ad mentioned earlier – and don't forget to give your server a special "Gift of the Season" tip.

Remember, this is about supporting your home town – Americans with their financial lives on the line trying to keep their doors open.

Encourage small businesses to keep plugging away to follow their dreams. When we care about others, we care about our communities, and the benefits come back to us in ways we couldn't imagine.

This can be a new American holiday tradition.

Our thanks to Lynn Keating of AcuPort Acupuncture who sent us an email with many of these ideas.

12th Annual "Make A Child Smile" Toy Collection Through December 15

The Port Washington Chamber of Commerce, Police District Liaison Detective Anthony Guzzello, PW Fire Department, and PW Police Benevolent Association are proud to sponsor the 12th Annual "Make A Child Smile," Toy Collection for Port Washington children through December 14. A Food Drive to help Twin Pines Food Pantry

will be included. They have experienced an increase in clients requesting food, but a decrease in food donations.

New unwrapped toys, non-perishable food items or checks will be collected at Chamber of Commerce members' locations displaying the "Make a Child Smile" window poster. Call the Chamber at 883-6566 for more info.

Cow Neck Peninsula Historical Society's Holiday Fair

(Continued from page 1)

The dining room will open at noon. Pumpkin soup, and a tempting array of other edibles will be available to satisfy that craving for something good to eat.

The many improvements the Society has made to its headquarters will be on full display for you to explore. Built by the Sands family before the American Revolution, you can move from Victorian to pre-Revolutionary times with just a few steps.

All money raised helps to maintain Sands-Willets (ca. 1735) and Thomas Dodge House (ca. 1721) and support educational programming. Sands-Willets House is located at 336 PW Boulevard. For more info call 365-9074 or on the web at www.cowneck.org.
