Then as Now: Imagining A Day In The Life Of The Library In 1892

So much has changed since the PW Library's early days when the world was a simpler place and what the library would become could not have been imagined. In recognition of its anniversary year, on July 20, the library has planned a fun day of programming as it might have been 120-years ago, with staff and presenters in period costume. Stop by and experience what might have been.
