Port Washington Main Street Visioning Public Meeting

Residents For A More Beautiful Port Washington has reported to us that the Town of North Hempstead is ready NOW to focus on Port Washington's Main Street. There has been progress and steps taken toward the Community Main Street Revitalization Project, Model Blocks, addressing community goals raised in the 2005 Shared Visioning process.

Councilwoman Dina De Giorgio and Supervisor Jon Kaiman have spent the last nine months actively gaining community-wide input, modifying plans to address community feedback and identifying grants to be applied towards new sidewalks, trees, plantings and façade enhancements. Supervisor Kaiman and Councilwoman De Giorgio are inviting all residents and business owners to attend a "Main Street Visioning" public meeting to discuss the latest proposed zoning changes and streetscape enhancements for Port Washington's Main Street. The public meeting will be held at Schreiber High School Auditorium, September 20 at 7 pm. Councilwoman De Giorgio will be posting further details on her Portal 2 Port website www.northhempsteadny.gov/portal2port.

We hope you will attend this meeting. We also ask you to share your feedback with Supervisor Kaiman: kaimanj@northhempsteadny.gov and Councilwoman De Giorgio: degorgiod@northhempsteadny.gov

Let's not miss this tremendous opportunity. Help create a more walkable, charming and vibrant Main Street by attending this meeting, emailing your feedback to elected officials and getting your friends and neighbors to do the same.

Please feel free to contact Mindy Germain 516-767-9151, mgermain@pwresidents.org; or Bobbie Polay 516-883-6566, office@pwcoc.org.
