PORT WASHINGTON JUNE 2014 CALENDAR OF EVENTS

Where to Go and What to Do!**www.PWcalendar.com****LANDMARK ON MAIN STREET****June 14, Jarrod Spector, 8 pm**

A Tony Award Nominee for his current role as Barry Mann in *Beautiful: The Carole King Musical*, he starred as Frankie Valli in the smash hit *Jersey Boys*. Spector wraps his voice around songs that have made superstars out of more than a century of tenor legends from Freddie Mercury and Michael Jackson to the great Enrico Caruso himself.

Cow Bay Historical Society's Dodge Homestead Spring Fling

Step back in time on June 7, from 1-5 pm, at the Dodge Homestead Spring Fling. The historic Thomas Dodge Homestead, rarely open to visitors, was built in 1721 and served as the home for seven generations of Dodge families in Port Washington. Situated on the beautiful Mill Pond at 58 Harbor Road, the Dodge Homestead features an organic garden, working honeybee hives, and the only vintage 3-seater outhouse in Port! The home itself features antique furnishings and period touches.

Dodge house tours, tours of the beehives (honey for sale!), live music, free cornbread and lemonade, art demonstrations, free admission!

For more info call 365-9074, go to www.cowneck.org, or email info@cowneck.org.

PW Farmers' Market Beginning June 7

For fresh, locally-grown, organic produce and specialty items, the Port Washington Organic Farmers' Market is the place to be! Now in its twelfth year, the Market founded and managed by Grassroots Environmental Education, is the only 100% organic farmers' market in New York State. Farmers from the East End bring truckloads of fresh vegetables. Local bakers offer fantastic breads, cakes and organic coffee (with organic milk and sucanat). Hot organic blueberry muffins, eggs, goat cheese and honey are popular with market regulars.

Grassroots cultivates and manages a small organic farm at the Dodge Family Farm, here in Port, growing vegetables for the local food bank and for the Farmers' Market.

The market is held at the Town Dock from 8 am - noon every Saturday through October. For info, call Grassroots at 883-0887 or visit their website www.grassrootsinfo.org. The market and the organic farm at Dodge-Thomas House are local projects of Grassroots.

Sousa Band Shell 2014 Friday Nights at 8:15 pm

June 13.....Freeport Community Band
June 20.....Swingtime Big Band
June 27.....North Shore Pops Concert Band

Relay for Life, June 14!

The American Cancer Society's Relay For Life celebrates 13 years in Port! Join Port Washington neighbors and friends as we come together again to Celebrate, Remember & Fight Back on this special night.

Last year's event attracted 1000 relayers of all ages who raised over \$80,000 for vital cancer research, support services, and advocacy.

Held on the Schreiber High School track, the Opening Ceremony begins at 7 pm, the Survivor/Caregiver Lap and Reception is at 8 pm and the Luminaria Lighting Ceremony is at 9 pm. There will be music performances, a BBQ, raffles, terrific prizes, and lots more!

You don't have to pitch a tent and stay overnight! There are many ways to get involved... start or join a team, purchase a luminaria or a raffle ticket, donate a raffle item, be a volunteer. Soak up the energy, walk a few laps or walk a few miles, just come and become a part of this hope-filled event.

For more info contact Megan Stewart, megan.stewart@cancer.org call 631-300-3150 or visit www.relayforlife.org/portwashingtonny.

Port Washington Celebrates Gambol 2014!

Schreiber High School's seniors will celebrate their graduation on Thursday June 26 and celebrate at the Gambol on Friday, June 27. This year's theme, The SnowBALL, reflects a wonderful evening in a Winter Wonderland.

Sixty-two years ago, Port parents realized the importance of embracing their children and celebrating the achievement of their high school graduation. With the support of family and community, the Gambol provides a safe and secure environment

in which to do so, right here in town. It is a magical night full of family, friends, celebration and memories to treasure forever! Not many communities can boast of such a wonderful history for their senior proms. It is as unique and special as Port Washington itself.

Community viewing will be from 3pm-5pm. All are welcome! Come see how Castle Gould has been transformed this year. The Gambol begins promptly at 9pm, with the spectacular Red Carpet Procession.

June 22 - Who Eats What? at Sands Point Preserve

In Sand's Point Preserve's beautiful freshwater pond, herbivorous (plant eating) tadpoles grow up to be carnivorous (meat eating) frogs that feast on a full menu of insects and larva – while turtles begin life as carnivores and become herbivores as they grow up, eating aquatic vegetation.

Learn more about these fascinating gastronomical facts – and find water scorpions, dragonfly nymphs, beetles, fish, and plants that feed our reptiles and amphibians. Bring a clean take-out container (preferably white) to collect specimens – we'll have some to share. Wear footwear that can get wet and muddy!

Admission: \$10 per car / free with Annual Pass. Pre-registration is required. Please email your name, preferred session start time (11 a.m. or 12 p.m.), and the number of adults and children (with their ages) to info@friendsspp.org. www.thesandspointpreserve.com, or call (516) 571-7901.

From The Publisher

AN OVERNIGHT SUCCESS IN TEN YEARS

Ten years is an interesting period of time. For some, ten years goes by in what seems like seconds, and for others ten years is a lifetime.

This month, We have had occasion to consider what ten years means to our PW Business community, to the residents and to those in need... and, they seem to be inextricably intertwined. What brought all of this to mind is the fact that Sullivan's Quay is celebrating its tenth anniversary this month. While we do not normally write about our advertisers, it seems appropriate to do so in this case. Brian Barry, Jimmy, Catherine, Victor and the rest of the crew represent what we all like to see in Port. A good venue (in this case food and an occasional beverage), consistency over a period of time and a sense of community seem to go hand in hand for success.

Whether it has been participation in the St Baldrich barbering, a PAL project or a charity event, Brian and the crew are right there with whatever it takes to help...like many other successful business people in Port.

When you look around our community it becomes obvious that local businesses support a multitude of events and causes all year 'round... couple this with their determination to provide solid values and a positive attitude and you have a formula for many more ten year celebrations... all we have to do is be certain we reciprocate by Shopping Local.

Bee Whispering 2014

The Sands Point Preserve's apiary produced 100 pounds of pure Guggenheim Estate Golden Honey last year - and it is now waking for a third year pollinating the beautiful gardens and natural woods across the preserve's 216 acres.

The Bee Whispering education program resumes in 2014, with a series of four workshops that introduce adults and children (6+ years) to this fascinating species through interactive presentations and hands-on experience at the hives. Each session covers a range of topics, including the biology and anatomy of the three types of honeybees that comprise a colony; the structure of the beehive; and the well-defined roles of each and every member of the colony that enable the hive to survive through four seasons.

Participants will learn how the main hive resources – pollen, propolis, and honey – are collected, managed, and utilized by the colony. We will also look at the honeybees' beneficial impact on the environment and the affect of the changing environment on honeybee populations locally and around the globe.

You may attend one or all of the sessions and begin at any time – whether you wish to become a bee whisperer or just learn more about this beneficial insect that inhabits our world. Children must be accompanied by an adult at all times.

Pre-registration is recommended by calling 516-571-7901 or emailing your name and number of adults and children to info@friendsspp.org.

I. Introduction to Honeybee Biology & Beekeeping Sunday, June 1 – 11:00 AM – 1:00 PM

II. Waking the Hive Sunday, June 29 – 11:00 AM too 1:00 PM

III. Bee Keeping Techniques & Maintaining the Hive Sunday, July 13 – 11:00 AM – 1:00 PM

IV. Honey Harvest Sunday, August 10 – 11:00 AM – 1:00 PM

Admission for each session: \$10 per car or FREE with your Annual Pass.
