St. Stephen's Annual Fall Fair, Saturday, November 5

Bring the whole family to St. Stephen's annual Fall Fair and Children's Carnival on November 5 from 10 am - 4 pm, rain or shine.

Admission is FREE, and there's fun for the whole family. Kids of all ages will enjoy the petting zoo, pony rides, and the children's carnival with games and prizes. In the Parish Hall, there are homemade baked goods, fudge and candy. At Trash & Treasure, you'll find all sorts of housewares, gently used infant and children's wear, home décor items, small electronics and more. You can pick up a beautiful holiday plant – perfect for gifts.

A highlight of the Fair is always the St. Stephen's Quilt Raffle! This year's quilt, pieced and hand-sewn

by the Ladies at St. Stephen's quilting group, is entitled "Flowery Path" and is 90" x 100" with a white background and many flowery prints. You can get a look at it throughout the month of October at the Library. This

cornerstone tradition has been going on annually for over 40 years.

It wouldn't be a Fall Fair without unforgettable food! Don't forget to sample the delicious homemade cakes, pies, cookies and sweet breads in the Heavenly Café and Coffee Shop. Of course, a scrumptious lunch will be served, which will include a kids' menu.

St. Stephen's is located across from the Library on Main Street.

Dave Allen

As we write this the election is still a week or so away. Obviously, we do not know who the winner, or loser, is we know there will still be a great divide among those who voted, and those who didn't.

Even so we are going to stick our neck out and outline a couple of thoughts we trust all of us can agree upon.

Let's start with what seems like an easy proposition: no elected body should be able to pass any legislation that exempts the members of that body for the legislations impact. If lunches are not tax deductible or chargeable to the recipient, then Congress and all the members should be subject to the same rules. If the Affordable Care Act is applicable to the citizens then it should be applicable to all members of Congress.

Simple, huh?

Of course this means that the NY/NJ Port authority personnel and board should have to pay tolls like the rest of us. Maybe it would also mean that the plethora of Courtesy Cards issued by the various police agencies, benevolent associations, etc. should declared illegal. And off duty police, fire and public officials would have to obey the same traffic laws as the rest of us. (Maybe the new \$105 surcharge on tickets in Nassau would thus not be needed)

You can fill in a number of additional examples at your leisure.

My second proposal is equally simple. No legislation local, state or federal should be allowed to contain any amendment or clause that is not directly related to the primary subject of the legislation... no more hiding a special swimming pool in a groundwater protection act.

Thirdly, any member of a legislative office found guilty of a State of Federal offense should lose their position in that body and lose their pension or benefits.

That's it... when I think of it; these three items may be a bird's eye view of what this election was all about anyway.
