## HARBORFEST 2019 – WOW.

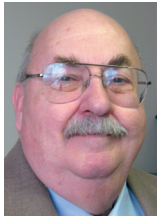

Each year, on the first Sunday of June, Port Washington takes a day out to celebrate the Nautical Heritage of our community on Manhasset Bay.

During the past 29 years, this event has expanded to include much more than Water-related materials... it has become a showcase for the entire community, especially the not-for-profits that have helped form and develop the unique characteristics of Port Washington and the entire Cow Neck Peninsula.

We are happy to report that 11 years ago we introduced the Port Washington Calendar at HarborFest. The original concept was pretty simple... to provide a single source of those happenings scheduled to the upcoming month. In other words, the Calendar was to provide a roadmap of upcoming events for our community of participatory residents.

With this issue we are delighted to provide more than 250 items covering local, civic, governmental, not for profit meetings and events ... including this major item called HarborFest.

So, enjoy the day, say thank you to the many organizations helping to make HarborFest a success. And do not forget to shop local. Let's all support those who keep many of our special organizations viable.
