Marching Along

Well... March is here already! So, here comes St. Patrick's Day, Daylight Saving Time, the first day of spring... and the beginning of the "tourist season" here in Port.

We always think this is not quite the right name, maybe it should be the "outdoor season," or the "water appreciation season," or "restaurant season." Oh well, you get the idea. We are embarking on the best of Port... when we see an influx of locals and visitors alike on the water, in our restaurants and in our unique selection of shopping availabilities.

We like to believe that Port is very friendly to all, but it seems that we fall short in several areas starting with one of my pet peeves, metered parking. We cover our meters in December to encourage local shopping but during the "tourist season" we whack drivers with (often unreadable restrictions) \$1.00 per hour meters and outrageous fines for missing the deadline.

Manhasset has open (free) street parking, and Garden City has free parking lots. Yes, there are tickets for abusing the posted, parking restrictions, and I suspect the fines cover the cost of enforcement.

Something to think about.

How about our ability as individuals to make Port a bit friendlier? Maybe we can ask our delivery trucks to park as close to the curb as possible. We often see regular delivery people parking in the traffic lanes while curbside places are empty.

I suppose we could go on forever on the need for more courteous traffic habits, but consider the benefits of just two changes: eliminate double parking and observing the Handicapped Parking signs.

Finally, cover those damn meters!
